

**GREENBELT COMMISSION
AGENDA**

December 21, 2020

REMINDER – as of November 15th all meetings must be in person – virtual meetings are no longer allowed. The legislature is supposed to consider a permanent amendment to the Open Meeting Act when they return in February. To avoid large group meetings Mayor Clark announced Tuesday, 11/10/2020 that all boards and commissions meetings will be cancelled unless the business is mission critical or calendar driven like Planning Commission. To shorten the length of Council meetings and lessen the exposure, comments will only be taken on items that are required by law, i.e., public hearings, zoning items (non-consent items) and there will be no miscellaneous discussion. The only City Council meetings remaining in 2020 are November 24th and December 8th.

No Greenbelt Meeting will be held per Mayors Clark's order.
